NOTICE OF DISCONTINUANCE

BioConnect Enterprise Support for v. 5.2

As part of continued efforts to streamline our software support and provide the best experience for our customers, BioConnect will be ending all support for BioConnect Enterprise (BCE) Software Version **5.2** on December 1, 2025. Note that support for all BioConnect Enterprise versions 5.0 and older have already been discontinued. BCE 5.1 is slated for end of support on April 30, 2025. All customers on BCE versions 5.1 and older are requested to upgrade to higher versions.

Please check for our end of support notices at https://support.bioconnect.com/s/

We thank our partners and customers for their support and understanding. For further clarifications or questions, please reach out to your account manager or our customer support.
